Course Transfer Table
Cochise College, 2008-2009 Catalog
WIU 2008-2009 Catalog
Inst. ID: 3177
Last updated: 09/10/08**

This table is intended for use with the Cochise College catalog indicated. This table identifies the application of coursework taken at Cochise College toward Western International University (WIU) current course offerings for the catalog indicated. Refer to the catalog for University policies on transfer of credit. WIU reserves the right to change what will be accepted in transfer at any time. Please contact your WIU Academic Counselor for course applicability to current programs.

All Cochise College course work is transferred in as lower division credit, regardless of the level of WIU course work fulfilled. Activity, work trade, technical, and vocational college credits (denoted as ACT) are limited in transfer to your WIU program and can not exceed a maximum of 9 semester credits in transfer. ACT courses will be applied toward your selective requirements. Cochise courses must be numbered 100 and above for transfer.

Key: TR = Transfer Credit PR = Limited Transfer Credit PC = No Transfer Credit
