Course Transfer Guide
University of Phoenix, 2007-2008 Catalog
WIU 2009 Catalog
Inst. ID: 3213
Last updated: 04/09/10**

This table is intended for use with the University of Phoenix catalog indicated. This table identifies the application of courses taken at the University of Phoenix toward Western International University current course offerings for the catalog indicated. Changes in the curriculum by the University of Phoenix can affect the transferability of its courses. Refer to the Western International University catalog for policies on transfer of credit. Western International University reserves the right to change what will be accepted in transfer at any time.

All Western International University baccalaureate programs require the student to complete a minimum of 36 upper-division semester credits in residency, and 54 upper-division semester credits in residency and/or transfer. The transfer of lower-division courses from the University of Phoenix is limited to 72 semester credits. Transfer of University of Phoenix lower-division courses toward Western International University major courses is not permissible. The transfer of upper-division courses from the University of Phoenix is limited to 18 semester credits.

All University of Phoenix courses must be completed with a grade of "C" or higher to transfer to Western International University. Please contact your Academic Counselor for course applicability to current programs.

Key: TR = Transfer Credit PC = No Transfer Credit NC = Possible APL Credit
