POSSIBLESM

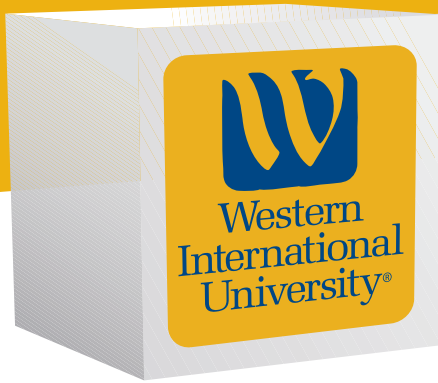

west.edu

At Western International University, we make it possible to live your life without boxing up your other ambitions. Now you can achieve the balance you need to earn your degree while you continue to serve your family and your country - this is a benefit you have earned.

Western
International
University®

Military friendly tuition makes it possible.

WIU is proud to support your service to our country with special U.S. Military tuition discounts for Active Duty Personnel, Active Duty Spouses, and Veterans.

Active Duty Servicemembers are eligible for WIU's \$250 per credit hour* tuition rate for both oncampus and WIU **Interactive** OnlineSM courses, for both undergraduate and graduate courses. Veterans and Active Duty Spouses can take advantage of our \$75 per credit hour* tuition discount (deducted from our standard tuition rates).

We'll guide you in applying for your Military Tuition Assistance or Veterans Educational Assistance benefits and in requesting evaluation of your Military training and experience for credit toward your degree. Your Enrollment, Finance, and Academic Counselors will provide you with personal attention and information based on your specific circumstances. Just ask your Enrollment Counselor for a free preliminary evaluation of your previous credits.

WIU participates in the Servicemembers Opportunity Colleges (SOC) Consortium and the SOC Degree Network System (DNS). As an SOC participant, WIU can accept transfer credits toward your associate, bachelor, or master degree. These credits may be from CCAF, AARTS, CGI, and SMART Military transcripts; CLEP, DANTES/DSST, Berlitz and other testing programs; and previously attended colleges/universities. WIU is a GoArmyEd Letter of Instruction (LOI) school, so Army Personnel's tuition is paid directly to WIU, with no out-of-pocket tuition costs to the student. WIU also offers tuition deferment to all students who have corporate or Military Tuition Assistance benefits, allowing them to pay their tuition by the final class meeting for each course.

WIU is approved for Veterans Educational Assistance and GI Bill benefits and also participates in the Yellow Ribbon GI Education Enhancement Program.

*Tuition rates and discounts are subject to change and may not be used in conjunction with other promotional offers. Please call for current information.

WIU's education travels with you.

Your Military assignments often take you to new locations. So you may worry that your education will be disrupted...but there's no need to worry with WIU.

We provide options and flexibility that enable you to complete your classes, whether you're advancing your Military career or starting a new civilian career. You can attend class at any of our four Arizona campus locations, online with our exciting, live program, WIU **Interactive** Online, or both.

With WIU **Interactive** Online, you can attend class live with your instructor and classmates from wherever your Internet connection takes you. Wherever you happen to be, you'll engage in lively interaction and exciting discussions that enhance what you learn and duplicate the WIU classroom experience. Ask questions, and you'll get instant feedback.

But what happens if you can't attend a live session? No problem. Simply access your recorded class anytime during the week. You can also view your recorded classes as often as you want to brush up on your studies.

We honor your Military service, and we're proud to be of help as you further your education. Wherever you go, WIU goes with you.

Your interests. Your schedule. Your place or ours?

What interests you? At WIU, you'll find a wide range of degree programs that lead to stimulating new careers. Once you've chosen your academic path, you'll find it easy to follow. Our business degree programs allow you to select courses that most interest you.

Our schedules are convenient and flexible. Classes meet one night a week for two months, a timetable that most busy adults find ideal. You choose whether to attend class oncampus, online, or both. Since new courses begin every month, you'll be able to start class at your convenience.

Take the next step on your career path and declare your major.
